APPLICATION FOR PATENT ABANDONED UNAVOIDABLY**

Commissioner For Patents
P. O. Box 1450
Alexandria, Virginia 22313-1450

Sirs:

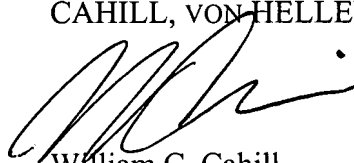

Applicant respectfully requests the U. S. Patent Office to correct the mailing address that is used to communicate with applicant. The correct address is recited in the originally filed application documents and has consistently been used by applicant throughout the proceedings; however, the Patent Office has directed communications to the wrong address. The U. S. Post Office has apparently directed the mail to applicant notwithstanding the incorrect zip code on the address labels. However, at least one critical document was not delivered to applicant because of the incorrect address used by the Patent Office. The correct address, as it has appeared on all documents filed in the Patent Office, is CAHILL, VON HELLENS & GLAZER P.L.C., 155 park
